Description

The EMT course prepares students with the knowledge and skills to provide basic level emergency care in a pre-hospital setting. This course is aligned with the National Education Standards for EMT as approved by the PA DOH (Pennsylvania Department of Health). Students will learn emergency care for cardiac arrest, medical emergencies, trauma emergencies, patient assessment techniques, oxygen administration, pharmacology for emergency care and EMS Operations. Students must be able to meet all requirements for the Functional Position Description for EMT. The course will include classroom sessions, skill labs, and a required clinical rotation in a hospital or other approved facility.

Background checks, physical exam and appropriate blood work/immunizations are required prior to starting the clinical requirements. Additional immunizations may be required. A flu vaccine may be required by some facilities. The required health form will be distributed in class.

Course Requirements

- You must be 16 years of age at the start of the class.
- You must complete a minimum of 10 patient contacts in an approved setting. More information will be provided on the first day of class.
- You must attend the approved HAZMAT awareness class that is provided during the EMT course.
- You must meet the Functional Position Description for an EMT as defined by the Pennsylvania Department of Health (this will be discussed further the first night of class).
- You must complete the FEMA Independent Study Course for ICS 100 and NIMS 700 online. These courses are not part of the course curriculum and must be obtained outside of class.

Payment

The EMT program is now available for a payment plan. For information about the payment plan, please contact the PSI department for information.

Refund

Any student who withdraws from class during the first week will receive a full refund. Please note, if you activate the code that is inside the book and then withdraw from the class during the first week, the cost of the book will not be refunded to you. No refunds are issued for withdrawals after the first week of class.

Certification Testing

Students who successfully complete the College EMT program will be required to take the National Registry Psychomotor Exam (practical skill) that will be scheduled during the EMT class. Students who are not able to attend the scheduled exam will have to contact EMSI at 412.242.7322 or www.emsi.org to make arrangements to schedule their psychomotor exam (practical skill). Once a student successfully passes the psychomotor exam (practical skill), s/he will then be eligible to register on the NREMT website www.nremt.org for the written exam which is taken at a Pearson Vue testing center. It is the student's responsibility to pay for the exam. The cost of the exam is \$75, payable directly to Pearson Testing.

CCAC reserves the right to cancel a class due to insufficient enrollment.
